*1 Corresponding with special model (built-to order)

*2 Requires optional interface board (ET-MDNFB10)

*3 Requires optional interface board (ET-MDNHM10)

*4 Requires optional wireless module. Please see our website for functions and compatible application software. <https://docs.connect.panasonic.com/projector/solution/wireless/>

*5 Requires the latest firmware. Register your projector at PASS to update firmware. Visit PASS at <https://pass.csbms.pnd.panasonic.com/pifpui/guest/TopLogin.do?lang=en> for more information.

*6 Auto Focus function may not be supported when using some mobile devices.

*7 Requires optional function board (TY-SB01QS)

*8 Requires optional function board (TY-SB01DL)

*9 Requires optional interface board(ET-MDNDP10)

*10 Geometry Manager Pro has now been integrated into the Visual Software Suite.We recommend using the suite instead.
